International Women's Day Hackathon 2022
Tanzania

5th – 8th March 2022

Dear {{ contact.FIRSTNAME }},

We would like to wish you a great start of the New Year 2022, on behalf of the entire team at UJUZI Forum Tanzania.

Here are a few 2021 highlights and important steps that we would like share with you, which we are all proud of:

- The launch of the Tanzania Teens in AI hackathons by UJUZI Forum in October 2021.
- The winning team from Tanzania "Trash Hopper" winning the 2nd place at the Global Ada Lovelace in November 2021; **first time participation with a first time second place prize**.
- The signing the Memorandum of Understanding (MoU) for collaboration with **Pycon Community** in Tanzania.
- UJUZI's partnership with **ELLIPSIS Company** for pre and post hackathon activities.

All these achievements would not have been possible without your commitment.

THANK YOU!

We look forward to seeing you once more at the March 2022 hackathon which is themed in honor of International Women's Day, especially all the women and girls working in ICT.

Registration is already OPEN

Use the link below to reserve your participation as a teen and get FREE early python home coaching once a week by ELLIPSIS.

We are looking for **SPEAKERS** and **MENTORS.** Please use the link below to sign up as a speaker/mentor.

Participation in the hackathon is FREE of charge for anyone aged between **12-18 years old**, living in **Dar Es Salaam and Zanzibar**.

We would like to thank you, once more for being part of our community.

Best wishes for the year 2022,
To more success and bigger wins!
See you in March!!
